## **ABOUT US**

Sirius İthalat İhracat Sanayi ve Limited is founded in Turkey to produce, sell and market Private Branded products. With our vast product portfolio from our producers and our vast experience in private brand process management, we are a reliable business partner that is indispensable to our customers.

We have chosen as our business model to provide the right product and service at the most reasonable cost, at the right time in order to ensure that our customers achieve their success and business goals.

Being a part of the biggest food company in Turkey , with producers worldwide and leading in the world provides us with a wide product portfolio and R&D advantage.

In this respect, we provide our customers with world-class products and services easily and continuously.
